Professional Summary

Quality Assurance Engineer with **3+ years of experience** in software testing across web and mobile applications. Skilled in manual testing, test case design, defect tracking, performance testing, and test automation. Hands-on experience with **Playwright**, **MCP (Model Context Protocol)**, and **Claude Skills** for modern AI-assisted testing and development workflows. Experienced in Agile environments with tools such as **JIRA, ClickUp, Apache JMeter, Playwright, MCP, and Claude**. Contributed to testing large-scale enterprise platforms including **BMC healthcare systems and mobile applications**, ensuring reliability, performance, and quality.

Work Experience

QA Associate **Jun 2024 -- Present**

Artem HealthTech Pvt. Ltd., Ahmedabad

- Performed end-to-end testing of enterprise **Healthcare platforms**, designing detailed test cases and scenarios and executing **functional, regression, integration, and UAT testing** across 15+ modules.
- Developed and executed browser-based test scenarios using **Playwright** for web application validation and regression testing.
- Gained hands-on experience with **MCP (Model Context Protocol)** and its integration with AI-assisted development and testing workflows.
- Worked with **Claude Skills** to support AI-assisted QA activities, test analysis, and productivity in software testing workflows.
- Executed **performance testing using Apache JMeter** simulating 10,000+ concurrent users.
- Identified, reported, and tracked defects using **JIRA** while collaborating closely with development teams.

QA Associate **Jan 2023 -- May 2024**

Wellnest Tech Pvt. Ltd., Ahmedabad

- Tested mobile and web-based applications, creating comprehensive **test cases and regression test suites** and validating features, UI, and data across platforms.
- Participated in **Agile sprint cycles**, including sprint planning, daily stand-ups, and sprint reviews, working with cross-functional teams to identify defects early.

Technical Skills

Testing: Manual Testing, Functional Testing, Regression Testing, Integration Testing, UAT, Performance Testing, UI Testing

Automation: Playwright, Browser Automation, Automated Regression Testing

AI & Modern Tools: MCP (Model Context Protocol), Claude Skills, AI-Assisted Testing

Tools: Apache JMeter, Locust, JIRA, ClickUp

Processes: Agile, Scrum, SDLC, STLC

Defect Management: Bug Tracking, Defect Lifecycle, Root Cause Analysis | **Programming:** Core Java, JS/TS

Testing Expertise

- Web UI Automation and Browser Testing using **Playwright**
- AI-assisted testing workflows using **MCP and Claude Skills**
- Functional, Regression, Integration, and User Acceptance Testing
- Performance Testing using Locust, Apache JMeter, and API and Data Validation Testing
- Cross-platform testing for Web and Mobile Applications, Agile Sprint Testing, and Test Planning

Education

Master of Computer Applications (MCA) **2021 -- 2023**

Lok Jagruti University, Ahmedabad -- CGPA: 7.23

Bachelor of Computer Applications (BCA) **2019 -- 2021**

Mohanlal Sukhadia University, Udaipur -- CGPA: 7.00

Leadership & Activities

TCS Campus Ambassador — Placement Coordinator
